Pharaoh's Curse

Subtitle: An Ancient Egyption Adventure

Developed By:

Milton Rosa and Jordan Ibezim

Version:

Version 1.0 (May 27th 2024)

High Concept

Embark on a thrilling journey through the heart of an ancient Egyptian pyramid, where danger can lurk around every corner. Survive treacherous traps, battle mythical monsters, and unravel the mysteries concealed within the curse of the pharaohs.

Features:

- **Immersive 3D Exploration**: Dive into a visually stunning 3D environment inspired by ancient Egyptian architecture, filled with intricate chambers, hidden passages, and perilous traps.
- **Perilous Obstacles**: Navigate through a maze of booby traps, including hidden spikes, rolling boulders, collapsing floors, and dart-shooting walls.
- **Mythical Monsters:** Encounter legendary creatures from Egyptian mythology, such as mummies and Anubis warriors.
- **Challenging Puzzles:** Solve ancient riddles and puzzles to unlock doors, reveal hidden treasures, and progress deeper into the pyramid's depths.
- **Timed Challenges:** Race against the clock to escape a flooding chamber or outrun a rolling boulder, adding a sense of urgency and excitement.
- **Collectible Artifacts**: Discover and collect various ancient artifacts scattered throughout the pyramid. Collecting these items can unlock new areas or provide small bonuses.
- **Hidden Passages:** Explore secret corridors and hidden rooms that reward players with bonus items or shortcuts through the pyramid.

Overview

Player Motivation:

Players assume the role of an adventurer determined to uncover secrets of the pyramid and escape its curse. Their goal is to overcome obstacles, defeat monsters, and ultimately escape the pyramid.

Genre:

Action-Adventure with puzzle-solving elements set in a richly detailed Egyptian setting.

Target Audience:

Adventure enthusiasts seeking an immersive and challenging gaming experience, interested in ancient mysteries and mythology.

Competition:

While there are other adventure games on the market, Pharaoh's Curse stands out with its unique challenges, immersive gameplay, and Egyptian lore.

Unique Selling Points:

- **Varied Gameplay:** Experience a blend of exploration, puzzle-solving, and combat mechanics that keep players engaged and challenged.
- **Immersive Atmosphere:** Immerse yourself in the sights and sounds of ancient Egypt, with stunning visuals and atmospheric audio design.
- **Accessible Gameplay**: Designed to be easy to pick up and play, making it suitable for both casual gamers and those looking for a more relaxed gaming experience.

Target Hardware:

Developing for PC systems

Design Goals:

- **Engagement:** Provide players with a captivating and immersive experience that keeps them hooked from start to finish.
- **Challenge:** Present players with a series of increasingly difficult obstacles and puzzles that test their skills and ingenuity.
- **Exploration:** Encourage players to explore every corner of the pyramid, rewarding curiosity with hidden treasures and secrets.
